# Identity Defender®

**Always-on identity protection—  
so you're never left to clean up fraud alone.**

Your identity is part of everything you do—so when it's threatened, the impact is immediate.

A suspicious alert. A charge you don't recognize. A sinking feeling that something isn't right.

**Identity Defender®** from U.S. Legal Services was built for those moments, combining always-on monitoring with real human support to help you detect threats early, respond quickly, and fully restore your identity if fraud occurs—without navigating the process on your own.

## How it works

- 1. Activate your account** using your Welcome Letter and choose what personal info you want monitored.
- 2. Get alerts fast** (like a new credit inquiry) through the mobile app.
- 3. Always on support** from an Identity Restoration Specialist.
- 4. We take action** (with a signed LPOA) by contacting affected companies and guiding corrective steps until clearance letters are received.
- 5. Disputes handled end-to-end** with the credit bureaus until deletion letters are received.
- 6. Restore your credit** back to pre-incident status.
